England, Germany and Italy. The result of all this was to stimulate the buying, both to cover shorts and for investment. The closing cables reported lower prices from London, Paris and Berlin, as much as 3c. per bushel lower at the latter. The market here appeared to be recognizing a mistake in its previous estimate of the movement report, and now pail little attention to the foreign quotations. The business in corn was not active; changes were confined to %c. range. The close was at about last night's figures. close was at about last night's liquies. Oats, like corn, were very quiet and about steady. The provision market was exceedingly dull. Prices were lower on the heavier receipts of hogs. There was a gradual recovery later in the day on a very small amount of business, but the close was weak on a renewal of the
